

PAPER CHAIN DECORATIONS

YOU WILL NEED

- Assorted pieces of Christmas wrapping paper
- Ruler
- Scissors
- A stapler or glue stick

A traditional, simple paper chain to brighten up your home this Christmas!

1. With the help of an adult, cut strips of Christmas wrapping paper into strips that are 3cm wide and 20cm long. You will need between 20 and 40 strips, depending on how long you want your paper chain to be.
2. Using either a stapler or a glue stick, stick the two ends together to form a loop with your first paper strip.
3. Taking your next strip, feed it through the first loop and stick the ends together to form another loop.
4. Repeat step 3 with the rest of your paper strips, until the paper chain is as long as you want it to be.
5. Ask an adult to help you hang the paper chain up to decorate a wall or ceiling, or wrap it around your Christmas tree.

Use scissors and stapler with care or under adult supervision.
